

TASK 2: AI Content Marketing using UGC Ads

Fitness Studio Gym

Prepared by: Anna Sijo

Project Overview

This project demonstrates the use of AI and prompt engineering to create a complete UGC Ad Content Pack for Fitness Studio Gym. The objective is to generate authentic, conversion-focused content including hooks, ad scripts, CTAs and captions.

Business Information

Business: Fitness Studio Gym

Industry: Fitness & Wellness

Type: Local Fitness Studio

Services: HIIT, CrossFit, Zumba, Yoga, Personal Training, Cycling, Nutrition Consulting.

Target Audience

Students, working professionals, beginners, weight-loss seekers, and fitness enthusiasts.

Customer Pain Points

Weight gain, lack of confidence, low stamina, poor consistency, and lack of workout guidance.

Desired Outcomes

Weight loss, muscle gain, improved health, increased confidence, and sustainable fitness habits.

Prompt Engineering Approach

The master prompt includes business context, target audience, pain points, desired outcomes, brand voice, and conversion goals. This structure helps generate consistent marketing content.

Prompt 1 – Hook Generation

Generate 10 authentic UGC-style hooks for Fitness Studio Gym targeting beginners and people looking for fitness transformation.

Generated Hooks

- I never thought I could lose weight until I found the right gym.
- The hardest part wasn't the workout. It was taking the first step.
- Tired of starting over every Monday?
- This one decision changed my health and confidence.
- I was terrified to join a gym, but this changed everything.

Prompt 2 – UGC Script Generation

Generate short UGC scripts using the Problem → Solution → Result → CTA framework.

Sample UGC Script

Before joining Fitness Studio Gym, I struggled with my weight and lacked motivation. The trainers created a customized plan and supported me throughout my journey. Today I feel healthier, stronger, and more confident. Start your fitness journey today.

Prompt 3 – CTA Generation

Generate conversion-focused CTAs that encourage gym visits and membership signups.

Sample CTAs

- Start your fitness transformation today.
- Book your first session now.
- Join Fitness Studio Gym and achieve your goals.

Instagram Captions

Small steps every day lead to big transformations. Your fitness journey starts with a single decision.

The goal isn't perfection. The goal is progress. Keep showing up and results will follow.

Skills Demonstrated

- AI-Driven Content Marketing
- UGC Ad Scripting
- Ad Psychology & Hooks
- Prompt Engineering for Conversions
- Brand Voice Adaptation
